

We ask
the State Ministry of Health
to actively engage the private health
facilities to improve the quality of
data they submit and to increase the
compliance of monthly data rendition

mamaye.org.ng

A detailed reference sheet that explains how these figures are calculated, national and international standards and any limitations in the data is available at:

http://mamaye.org/sites/default/files/docs/lagos_reference_sheet2017.pdf

Produced by the Lagos State Accountability Mechanism for Maternal and Newborn Health (LASAM) in February 2018, with support from MamaYe-Evidence for Action
