

ASKs:

- ✓ Gombe State Primary HealthCare Development Agency (GSPHCDA) should supply lifesaving commodities to the remaining PHC facilities that are not covered by the development partner
- ✓ GSPHCDA should provide needed leadership and support for prompt and proper data submission to the DHIS 2
- ✓ The development partner supplying the lifesaving commodities should collaborate with the GSPHCDA to provide on the spot mentoring and coaching on the completion of HMIS forms for improved reporting
